SECOND INFORMATION DISCLOSURE STATEMENTCommissioner for Patents
Washington, D.C. 20231

Sir:

Applicant wishes to draw attention to the documents listed on the accompanying Form PTO-1449, copies of which documents are enclosed.

The documents listed in Form PTO-1449 were cited in the International Search Report. Form PCT/DO/EO/903 mailed August 27, 2001 indicates that a copy of the International Search Report has not been received by the Office; therefore, a copy of the International Search Report is also enclosed. Since the International Search Report indicates the degree of relevance, applicant believes that the requirement for a concise explanation of the relevance of any document that is not in the English language has been satisfied. See MPEP 609.

Pursuant to MPEP 609, it is requested that the Examiner should initial Form PTO-1449 to confirm that each document has been considered, and return a copy of the form to the undersigned with the first Office Action.

Respectfully submitted,

John Smith-Hill
